Architectural Review Board (ARB)

- a. **The Governing Board of the Conestoga Metropolitan District shall appoint member of the Architectural Review Board. Members of the ARB may be, but need not be, directors of the Governing Board.**
- b. **The ARB will receive all submittals and make sure the submittal is complete and, in an email, able form. They will also coordinate the meeting of the ARB and communicate in writing to the applicant the findings of the ARB.**
- c. **The ARB will agree to meet upon two weeks' notice from any member(s) of the ARB or Governing Board.**
- d. **The ARB will be allowed to grant variances to guidelines and master approvals based upon architectural merit or other redeeming qualities of the submittal. Variances do not change the overall guidelines.**

General. The following is an alphabetical list of a wide variety of specific types of improvements which homeowners and builders typically consider installing, with pertinent information to each, or procedures that must be followed in order to complete the construction process. Unless otherwise specifically stated, drawings or plans for a proposed improvement must be submitted to the Architectural Review Board (ARB) for Conestoga, and written approval of the ARB is required. These guidelines can be changed from time to time, as allowed for in the covenants of this subdivision.

ALWAYS BE SURE YOU HAVE OBTAINED AND READ THE MOST RECENT EDITION OF THE ARCHITECTURAL GUIDELINES. THESE GUIDELINES ARE ADOPTED PURSUANT TO ARTICLE 11 OF THE DECLARATION OF COVENANTS FOR CONESTOGA. ALL OWNERS AND BUILDERS SHOULD REFER TO THE DECLARATION IN ADDITION TO THESE GUIDELINES.

1. **Additions and Expansions.** Are not allowed.
2. **Air Conditioning Equipment.** Only central air conditioning is permitted. Air conditioning equipment installed in any front, side or rear yard should be reasonably screened from view of adjacent property owners and should be installed in such a way that any noise heard from adjacent properties is minimized. Installation of air conditioning equipment on the roof of the house, in a window of the house or through the wall of a house is not permitted.
3. **Antennae.** Not permitted. No exterior radio antennae, television antennae, or any other antennae may be erected. Television dishes are permitted as long as they do not exceed 3 feet in diameter and are screened from view from any angle with landscaping, privacy wall or fence approved by the ARB. If the antennae or dish is installed on the roof of the home, it shall be placed on the rear elevation of the roof if signal can be reached from rear elevation.
4. **Building Plans.** The review and plan submittal procedures have been written to accommodate the most complex conditions that may exist in the variety of development activities that may occur in Conestoga. There will be cases where any of the step-by-step procedures will not have

to be followed or certain listed submittal items may not be required. The managing members of the ARB should be consulted to determine what information will be required for review by the ARB prior to making the submission. EVERY SUBMITTAL SHOULD INCLUDE THE NAME, EMAIL ADDRESS, MAILING ADDRESS AND TELEPHONE NUMBER OF THE BUILDER.

- a. Submittal fee. A fee payable to the Conestoga Metropolitan District must be paid with the submittal to the ARB. The fee for the original building is \$150.00. The ARB may not require the fee on every submittal if there is a builder master approval in place.
- b. Fee adjustments. The ARB may need to increase the fee based upon the actual costs. All Conestoga property owners will be given 30 days' notice of said fee increase prior to the increased fee taking effect.
- c. Construction Documents Submittal. All construction drawings must be approved by the ARB prior to the start of any construction. Construction drawings are required to be submitted to the ARB in electronic format. Scale for the drawings should be either 1/8" = 1' or 1/4" = 1'. Construction drawings should include the following:
 - Roof plan, showing pitch, valleys, hips, materials and overhangs
 - Floor plan for each level of the home, showing main structures, accessory structures, including balconies, decks, and square footage of each floor within the main building, square footage of each accessory, and total square footage.
 - All exterior elevations showing materials, dimensions, final and original grade line, and finished floor elevations clearly indicated.
 - Sections, including finished grade, finished floor and maximum roof height.
 - Applicant shall identify all exterior finishes with brand names, color names and numbers in electronic format. THE EXTERIOR FINISHES MUST BE PRESENTED FOR REVIEW BY THE ARB WITH THE SUBMITTAL OF CONSTRUCTION DRAWINGS PRIOR TO THE START OF CONSTRUCTION.
 - The ARB will attempt to respond to all submittals within seven calendar days from receipt of submittal, but in any event, no later than 30 calendar days from receipt of submittal.
- d. Site and grading plans. Are to be submitted with the construction drawings, and should be at a scale of not less than 1"-20' and should include the following:
 - Legal description, north arrow, name, address, email address and telephone number of the current property owner.
 - Property lines
 - Building envelope dimensions with the location of the envelope established in relation to property lines, if applicable.
 - Drives, parking areas and walkways
 - Square footage of the building footprint, without any accessory structures
 - Reference to adjoining properties, streets, utility and other easements, drainage courses, arrows, and references to buildings on adjoining properties and their uses.
 - Top of foundation elevation and drainage plan as it relates to final development grade per engineering plans for development.
- e. Landscaping & Driveway Plans. Landscaping and driveway plans must be submitted with the construction drawings. ARB approval must be obtained by the applicant prior to

commencement improvements. Plans must depict fences, decks, sod, seeded areas, retaining walls, rocks, railroad ties, sprinkler system, sizes and species of nursery materials, and include a drainage and grading plan that coincides with the builder's. Builders and home owners will not alter the city approved drainage or grading plans.

- f. Review and Architectural Review Board Action. Following the review, the ARB will either:
- Approve the construction drawings in which case the applicant may proceed with construction.
 - Conditionally approve the construction drawings in which case the applicant must revise the plan to comply with the stated conditions and file the drawings with the ARB coordinator and receive written approval prior to beginning construction.
 - Disapprove the construction drawings, in which case the applicant will be required to re-submit new plans as requested by the ARB.
- g. Additional Submittals. There will be an additional \$50 charged for additional submittals to the ARB. For example, color charts or samples, plans for additions or exterior changes- or anything else not included in the original submittal.
- 5. Carports.** Are not allowed.
- 6. Colors.** Generally, earth tone colors are required; but ALL color and color combinations must be approved by the ARB prior to the application.
